1993 Subject Index

A

Abuse
  battered women, intervention and prevention, psychosociocultural perspective, 34
  battered women, promotion of adaptation in, 264
Adaptation, promotion in battered women, 264
Admitting privileges, denial of, 175
Adult sinusitis, 179
Ankle sprains, 226
Antihypertensive medications, blood pressure and mood responses in hypertensive patients, 211
Automatic implantable cardioverter defibrillator, 205

B

Battered women
  intervention and prevention, 34
  promotion of adaptation, 264
Blood pressure, patients on antihypertensive medications, 211
Book reviews
  Final Passages, J. Ahronheim & D. Weber, 45
  Chronic Fatigue Syndrome, D. M. Dawson & T. D. Sabin, 141
  Decision Making in Gerontologic Nursing, P. A. Loftis & T. L. Glover, 185
Breast-feeding infants, effects of maternal smoking on, 105
Bulimia nervosa
  diagnosis, 151
  physiologic management, 199
  psychosocial management, 259

C

Collateral ligament sprains, 271
Clinic, health care delivery to farmworkers, 119
Clinical practice, major studies reviewed, 6
Clinical application of the Shuler Nurse Practitioner Practice Model, 73
Clozapine, 131
Community health workers, Honduras, 219
Computers for data entry in clinical settings, 125
Contraceptives, perimenopausal women, 181
Corner on Issues
  Drug Enforcement Administration registration for nurse practitioners, 228
  ERISA: a little discussed but formidable barrier to health care reform, 133
  health care reform: consensus is forming to fix the system, 273
  new president: renewed prospects for major health care reform, 42

D

Desert Shield, Desert Storm, experiences of an Air Force Reserve flight nurse, 245
Drug Enforcement Administration registration, 228
Drug prescribing patterns, 62
Dysfunctional uterine bleeding, 159

E

Eating disorders
  bulimia nervosa, diagnosis, 151
  bulimia nervosa, physiologic management, 199
  bulimia nervosa, psychosocial management, 259
Ectopic pregnancy, 249
Editorial, 5
Elderly. *See* Geriatric population
Employment Retirement Income Security Act (ERISA), 133
Estrogen replacement therapy, menopause, 55

F

Family nurse practice, structure, content, and quality, 6
Function, evaluating the older patient, 167

G

Geriatric population
  evaluating ability to function, 167
  new instrumentation for physical health measurement, 114
  noncompliance as a pathway to suicide, 67
  nurse practitioners in nursing homes, 19

H

Health care reform
  consensus is forming to fix the system, 273
  Employment Retirement Income Security Act (ERISA), 133
  new president, renewed prospects, 42
Heart, automatic implantable cardioverter defibrillator, 205
Honduras, community health workers and primary health care, 219
Hypertension, blood pressure and mood responses in patients on antihypertensive medications, 211

I

Indirect self-destructive behaviors, elderly, 67
Infants, effects of maternal smoking on breast-feeding, 105
Infectious mononucleosis, 89
Instrumentation for physical health measurement of the older adult, 114
Intervention and prevention, battered women, 34

K

Knee injuries, collateral ligament sprains, 271

L

Legal issues
  distinguishing between licensure proceedings and malpractice suits, 135
  restraint of trade, 175
Licensure proceedings, 135
Lyme disease, 40

M

Malpractice suits, distinguished from licensure proceedings, 135
Marketing and Management, distinguishing between licensure proceedings and malpractice suits, 135
Massachusetts, nurse practitioners in nursing homes, 19
Master's degree, teaching strategies, 27
Menopause, estrogen replacement therapy, 55
Microcomputer use to facilitate data entry in clinical settings, 125
Migrant farmworkers, health care delivery to, 119
Migrant Health Outreach Program, 119
Military, Air Force Reserve flight nurse in Desert Shield and Desert Storm, 245
Mood responses, hypertensive patients on antihypertensive medications, 211
Mononucleosis, infectious, 89

N

Nurse practitioner practice model
  clinical application of Shuler model, 73
  theoretical framework of Shuler model, 11
Nursing homes, nurse practitioners in, 19

P

Patient interaction, assessment, intervention, evaluation according to the Shuler Nurse Practitioner Practice Model, 11
Pearls for Practice, contraceptive choices for perimenopausal women, 181
Pediatric population
  bulimia nervosa, diagnosis, 151
  bulimia nervosa, physiologic management, 199
  bulimia nervosa, psychosocial management, 259
  effects of maternal smoking on breast-feeding infants, 105
Pharmacology education, 62
Physiologic management of bulimia nervosa, 199
Point of View
  Air Force Reserve flight nurse's experiences in Desert Shield and Desert Storm, 245
  structure, content, and quality of family nurse practice, 6
Practice model
  clinical application of Shuler model, 73
  theoretical framework of Shuler model, 11
Preceptors, expert nurse practitioner teaching strategies, 27
Pregnancy, ectopic, 249
Prescriptive authority, acquisition of, 62
Process of care variables, nurse practitioner/physician team versus physician-only models of care in a nursing home, 19
Psychosocial management of bulimia nervosa, 259
Psychosociocultural perspective of battered women, 34

Q

Qualitative study, teaching strategies of expert nurse practitioner preceptors, 27
Quality of family nurse practice, 6
Question and Answer
  adult sinusitis, 179
  ankle sprains, 226
  infectious mononucleosis, 89
  knee injuries: collateral ligament sprains, 271
  Lyme disease, 40
  Clozapine in primary care, 131

R

Research, using a microcomputer in the clinical setting, 125
Restraint of trade, denial of hospital admitting or staff privileges, 175

S

Saudi Arabia, experiences in Desert Shield and Desert Storm, 245
Seasonal farmworkers, health care delivery to, 119
Self-efficacy approach, promotion of adaptation in battered women, 264
Shuler Nurse Practitioner Practice Model
  clinical application, 73
  theoretical framework for nurse practitioner clinicians, educators, and researchers, 11
Sinusitis, adult, 179
Smoking, effects on breast-feeding infants, 105
Southwest, health care delivery to farmworkers in, 119
Sprains
  ankle, 226
  collateral ligament, 271
Staff privileges, denial of, 175
Student readiness for increased responsibility, 27
Suicide, noncompliance in the elderly, 67

T

Teaching
community health workers in Honduras, 219
strategies used by expert nurse practitioner preceptors, 27

U

Uterine bleeding, dysfunctional, 159

V

Ventricular dysrhythmias, automatic implantable cardioverter defibrillator, 205
Violence
Air Force Reserve flight nurse experiences in Desert Shield and Desert Storm, 245
battered women, intervention and prevention, psychosociocultural perspective, 34
battered women, promotion of adaptation, self-efficacy approach, 264

W

Women's health
battered women, intervention and prevention, psychosociocultural perspective, 34
battered women, promotion of adaptation, self-efficacy approach, 264
contraceptive choices for perimenopausal women, 181
dysfunctional uterine bleeding, 159
ectopic pregnancy, 249
estrogen replacement therapy in menopause, 55
